EYE LEVEL ADVERTISING

This light as a feather visor attaches to your glasses / sunglasses. It arches perfectly over your line of sight and does not restrict peripheral vision. Nothing to squeeze your head or mess up your hair. A durable and machine washable product.

This visor will even keep your glasses afloat 😊

The plush 100% cotton terry cloth underside can be used as a lens protector.

A nylon tricot binding finishes the edge of the visor and secures the cotton elastic loops.

FOURTEEN COLORS AND TWO CAMOFLAGUE PRINTS IN STOCK

A practical item that will be used often with your message at **EYE LEVEL**
